DETAILED ACTION

The response filed January 5, 2007 has been entered.

Claim 23 is pending.

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim Rejections - 35 USC § 102

Claim Rejections - 35 USC § 103

1. Claim 23 is rejected under 35 U.S.C. 102(e) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over Beach (US Patent 5,936,140).

Response to Arguments

2. Applicants' arguments filed January 5, 2007 have been fully considered but they are not persuasive. Applicants argue that Beach teaches overexpression of a preselected protein in a soybean plant, which is not part of the claimed invention. The Examiner maintains that the open language of the claim does not preclude overexpression of another protein.

Conclusion

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period

Art Unit: 1638

will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

No claims are allowed.
